PREFACE

This publication contains the geographic location plots of the photography on CHURCH DOOR Mission C261C, dated 14 July 1971. This

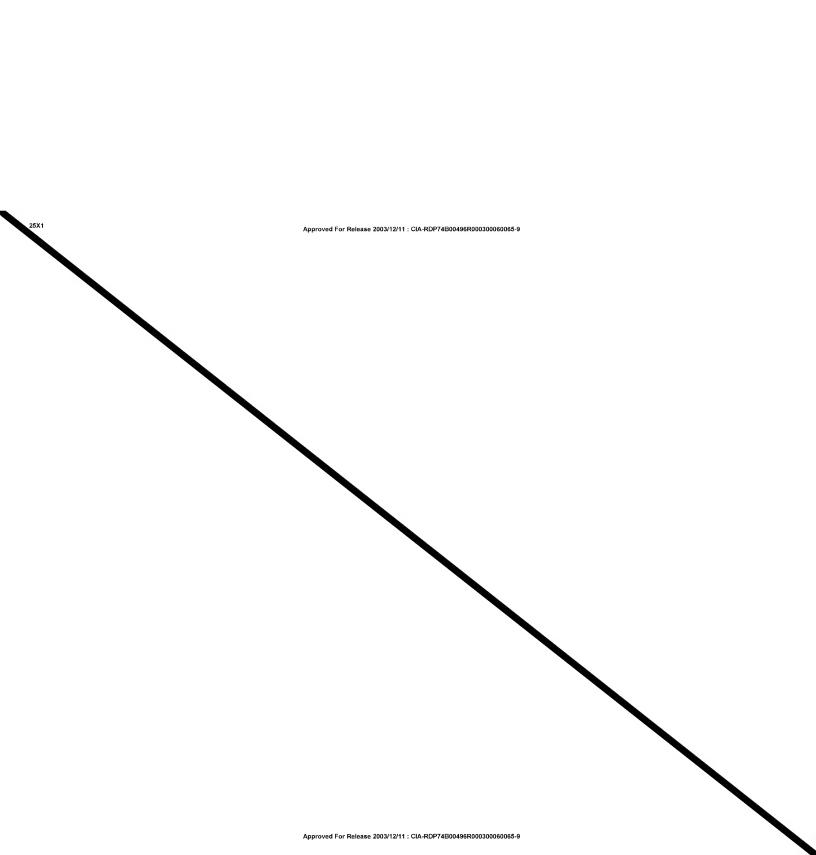

J25X1

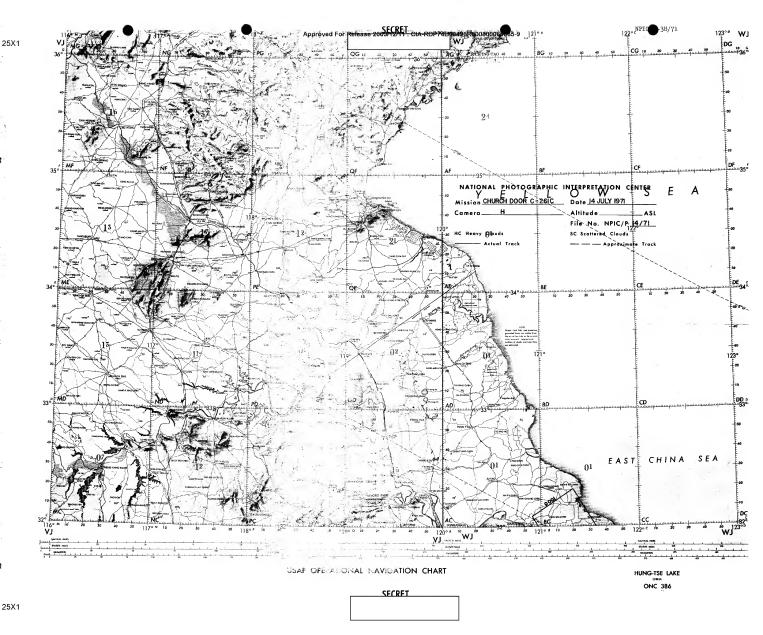

These plots are presented on a WAC format that has been reduced for convenience to approximately 60 percent of the original size. There are 3 plot sheets in this publication arranged in ascending order by control number.

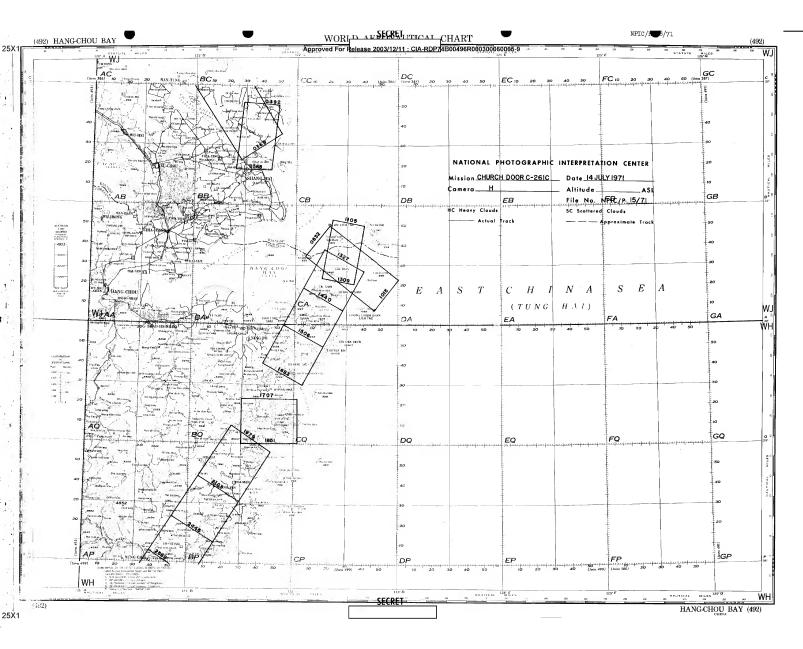

The flight-line index on page ii indicates the approximate track of Mission C261C.
